www.birminghamswimleague.org

Birmingham Swim League is proud to introduce SwimAmerica lessons at the Children’s Fresh Air Farm in Bluff Park. SwimAmerica lessons are designed to teach all of the swim skills children need to be safe in and around the water for a lifetime. Our swim school focuses on safety skills first, then the skills necessary to become a great swimmer. SwimAmerica is the only swim program endorsed by the American Swimming Coaches Association, the most prestigious coaches association in the world. Children are evaluated on the first day of lessons and grouped together by ability according to SwimAmerica (SWA) station levels 1 to 10.

Reasons to have your child learn to swim:

- To create a positive experience in the water.
- To instill confidence and skills, producing a willingness to try new things.
- To lay the foundations for the four competitive strokes.
- To promote health, swimming and exercise as a lifelong activities.

Please fill out the information below and **return the form and check to the BSL office (address above). THE POOL ADDRESS IS ON THE 3RD PAGE.** You may register for subsequent sessions at the time you register for the current session or you may register later by mailing your registration to the BSL office. Those already in the program will have priority. Make checks payable to BSL-Lessons. Check must accompany form(s) for immediate placement. Please fill out all forms. Space is not secured until all forms are turned in. Please list a 2nd choice of class time. There must be a minimum of three children signed up for the class to be taught and each child must be at least three (3) years of age. **Each participant will receive a phone call the week prior to the start of each session confirming both time and days.**

Make up classes will be held only in the event the entire class was canceled. No refunds given; accounts may be credited. Placement is on a 1st come, space available basis. We will not over fill a class.
